### **Requirements for Student Application :**

1. Students must discuss their course plan with the X-Class instructor in advance, including attendance, participation, examinations, and grading arrangements.
2. No additional instruction, make-up classes, or leave of absence will be granted due to schedule conflicts.  
Exam conflicts (including quizzes, midterms, and final exams) will not be rescheduled or replaced.

☐ I have read, understood, and agree to comply with all relevant regulations, and I am willing to assume any associated risks.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Please submit this form to the Curriculum Division (1F, General Building I). Deadline: Same as the Add-or-Drop selection period.

Curriculum Division: system setup upon receipt of the document→ the student then complete course selection online or apply for extra selection

### **Course Selection Order (Mandatory)**

Students must enroll in **Course A first**, and then enroll in **Course B (X-Class)**.

If the order is reversed (e.g., enrolling in Course B first, or enrolling in both Courses A and B and then attempting to change Course A to Course C), the system will identify a time conflict and the request **cannot be processed**.

Division of Curriculum: system setup \_\_\_\_\_
