

# NTHU X-Class Application Form

Term: FALL \_\_\_\_\_ SPRING \_\_\_\_\_ YEAR: \_\_\_\_\_

## Description

If the teacher agrees to put "X-Class" marks in the remarks column of the course, they must provide a whole semester's worth of teaching videos. Under certain conditions, students can apply to take two time-conflicting classes together (one of which must be an X-Class).

## Application Notes

1. It is necessary to discuss with the X-Class teacher how to conduct course learning (e.g., physical classroom participation, interactive discussions, practical operation drills, and examination time arrangements).
2. Neither teacher of the two courses shall be required to provide additional teaching or leave for taking another class. Regardless of whether it is a quiz, mid-term, final exam, or any other type of examination, teachers cannot be asked to reschedule, provide additional opportunities for make-up examinations, or provide different considerations to grades if the exam time collides with another course.
3. Order of course selection: First select Course A. After the Division of Curriculum has created the qualification for Course B (X-Class) selection, you can manually select Course B.
